### MANGROOMER® ULTIMATE PRO DO-IT-YOURSELF ELECTRIC BACK HAIR SHAVER

Introducing the New MANGROOMER® - ULTIMATE PRO Do-It-Yourself Electric Back Hair Shaver, our most advanced back shaver ever built with over 10 years of research and development. New advanced features include 2 Interchangeable Attachment Shaving Heads each with Shock Absorber Multi-Functional Flex Necks, Extreme Reach Extendable Ergonomic Rubberized Handle with PRO XL Extension Lock Button, Power Hinge Easy Push Lock for varying degree shaving angles and POWER BURST®.

The MANGROOMER - ULTIMATE PRO Back Shaver comes with 2 cutting-edge attachment shaving heads each with shock absorber flex necks: a 1.8 inch ultra wide back groomer blade to shave large areas and longer hairs quickly, plus an additional foil body groomer bi-directional head for regular maintenance, shorter hairs and a perfectly smooth shave. The shock absorber multi-functional flex neck on both of the attachment heads effortlessly follows the contours of your back for perfect blade to skin contact at any angle, resulting in the ultimate shave in both comfort and closeness. Our ultra-sensitive blades are hypoallergenic and made from stainless steel, giving you a soothing, non-irritating shave.

Shock Absorber multi-functional FLEX neck and head to shave all contours of the back

Use the Extreme Reach Handle and PRO XL Extension Lock Button to easily reach those tough to shave areas like the lower and middle back

Use the Power Hinge Easy Push Lock Button to get that exact angle and perfect blade to skin contact

Unique patented design and 135 degrees opening enables you to reach all areas of your back including the lower and middle back.

PRO XL Extension Lock Button locks the back shaver at any length you choose. Power Hinge Easy Push Lock Button allows you to lock the back shaver at the perfect shaving angle

Never again will you need to ask for anyone's help to remove your back hair. The MANGROOMER - ULTIMATE PRO Back Shaver's unique patented design will enable you to reach all areas of your back by yourself with ease and shave off all of your back hair effortlessly. For tough to reach areas of the back including the lower and middle back, use the fully extendable and adjustable Extreme Reach Extendable Ergonomic Handle which locks into place at any length you choose with the new PRO XL Extension Lock Button. The new hexagon handle design has an ergonomic rubberized grip allowing for maximum control, stability and comfort during operation.

In addition, we have designed and added the new Power Hinge Easy Push Lock Button allowing you to lock your ULTIMATE PRO Back Shaver at the perfect angle of your choice from any shaving position you desire. This new locking feature also allows you to lock your shaver in the closed flat position for discreet storage and travel.

MANGROOMER also added the new POWER BURST® button. Simply press it at any time during operation for an added burst of power to effortlessly shave through extra thick or coarse areas of hair growth.

A new advanced quick charge battery allows for easy and fast re-charging plus a Charge Light Indicator alerts you when the back shaver is charging (red) and fully charged (green).

Be confident and look your best with the new MANGROOMER® ULTIMATE PRO Do-It-Yourself Electric Back Shaver. MANGROOMER® - MAINTAIN YOURSELF®

Use the Power Hinge Easy Push Lock Button to lock your groomer in the closed flat position for discreet storage and travel.
